Re: Encarnacion v. United States USDC#04-CV-12021-RCL

Dear Attorney Barrett:

I have forwarded several faxes noting that your clients initial discovery responses were overdue and noting that if an extension is required that you should contact me to discuss the issue. To date, I have received no response. Please consider this letter an initiation of a conference to resolve an outstanding discovery dispute pursuant to Local Rule 37.1

Thank you for your attention to this matter. Please feel free to contact me at (617) 748-3136.

Very truly yours,  
MICHAEL J. SULLIVAN  
United States Attorney

Mark J. Grady  
Assistant U.S. Attorney
